## WAR IN EUROPE Volunteers Called For

The Lincoln County Fair Board is going to try and get the stock sheds which the tide and wind took away last winter, back on the fair grounds, and ask all that are interested in the fair to come and help. There will be four teams and they would like to have men enough, with hammers and other implements to work with so we can do this work in one day. The Board would not ask this but we are short of funds and want to make the money we have go as far as possible, so we are asking for help to do this work. We believe all are interested in the success of the fair and are willing to help. The day set for doing this work is Wednesday, August 12th, so do not forget the day. The Fair Board will be very thankful to all who will come and help.

## CONSTIPATION CURES SICKNESS.

Don't permit yourself to become constipated, as your system immediately begins to absorb poison from the backed-up waste matter. Use Dr. King's New Life Pills and keep well. There is no better safeguard against illness. Just take one dose tonight. 25c. at your druggist.

## SUMMER CONSTIPATION DANGEROUS.

Constipation in summer-time is more dangerous than in the Fall, Winter or Spring. The food you eat is often contaminated and is more likely to ferment in your stomach. Then you are apt to drink much cold water during the hot weather, thus injuring your stomach. Colic, Fever, Pains, Poisoning and other ills are natural results. Pe-Do-Lax will keep you well, as it increases the bile, the natural laxative, which aids the bowels of the congested poisonous waste. Pe-Do-Lax will make you feel better. Pleasant and effective. Take a dose tonight. 50c. at your Druggist.
